Licensee may not (a) reverse engineer, decompile, disassemble or otherwise attempt to determine source code or protocols from the Products; (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with the Products); (b) modify, adapt, alter, translate, or create derivative works of the Products; (c) merge the Products with any other Products, except as set forth herein; (d) redistribute, lease, rent, resell, encumber, sell, transfer or sublicense the Products to any third party, or otherwise use it except as permitted in this Agreement; (e) remove or alter any trademark, logo, copyright or other proprietary notices, legends, symbols or labels in the Products or in the output of the Products; (f) publish any results of benchmark tests run on the Product to a third party without Cloverhound's prior written consent; (g) use the Products in violation of any import, export, re-export or other applicable laws or regulations; (h) attempt to deactivate, bypass, or otherwise circumvent the license keys, remote monitoring, or other security measures for the Products. The terms of this Agreement govern the Products and any upgrades or modifications that replace and/or supplement the original Products, unless such upgrade or modification is accompanied by a separate license in which case the terms of that license will govern. All rights not specifically granted to Licensee herein are retained by Cloverhound.

In the event that any amount remains unpaid sixty (60) days after invoice date, Cloverhound may discontinue, withhold, or suspend supply of Products to Licensee.
